

## HALF DAY TOUR

### CAPE TOWN INNER CITY AND TABLE MOUNTAIN

SATURDAY 26<sup>TH</sup> SEPTEMBER 2009

**Commencing at 14:00**

**Meet at the Westin Arabella**

This guided tour will give participants a good sense of the City.

We will depart and drive past well-known landmarks and will head to the small city centre. We will then take a one hour walk through the famous Komanjies Gardens and spend 30 minutes in the African Market.

Then we will proceed up to Table Mountain for the breathtaking views; here we will need at least one hour and a bit - if time allows. We will then drive via Camps Bay, weather permitting, back to the hotel. We should be back at the hotel between 17:30 and 18:00.
